Frequently Asked Questions

Can I use this plugin in multiple game projects? Yes.

Can my games be developed for commercial purposes? Yes, read the license below for a better understanding.

Can I share the plugin with multiple people? No, each user must have an individual license (in other words, each one must buy the asset). "Forum sharing" (or similar) is not permitted.

Final Important note

As you can see, this is a super friendly license! You just pay it once and then you can have it in all your video game projects, commercial ones included. Considering that, please be respectful; act kindly and civilly (do not share the sources around etc.) otherwise it'd mean killing me and my future work. Thanks.

License

1. Parties and Definitions

The following Agreement (the "**Agreement**") constitutes an agreement between you ("**Licensee**") and Federico Bellucci (the "**Licensor**"), also known as "Febucci", email address: hello@febucci.com. Licensee may not use visual, audio-visual, audio or any other content available for licensing from Licensor without agreeing to the terms of the Agreement. If Licensee does not agree to the Terms of Use and Privacy Policy, or any other agreements that may be incorporated by reference therein, he/she/it shall cease its use immediately (see "section 4").

"Licensed Content" refers to video, music, sound effects, software, plugins, media project files and/or other audio, audio-visual, or visual works for which Licensee has paid license fees if such are required by Licensor, and for which the terms of this Agreement shall apply. **"Work for Distribution"** refers to any electronic game or interactive media that integrates the Licensed Content created by or on behalf of Licensee under the terms of this Agreement. The Licensee shall not be entitled to distribute or transfer in any way (including, without, limitation by way of sub-license) the Licensed Content in any other way than stated on section 3.

2. Grant of license

This Agreement is a license, not an agreement of sale. Licensee shall not acquire any copyright ownership or equivalent rights to any of the Licensed Content. Licensor and the Licensed Content sources retain all right, title and interest in and to all of the copyrights, trademarks, and all other proprietary rights in the Licensed Content. All rights in and to Licensed Content not expressly granted in this agreement are retained by Licensor or its suppliers.

Licensee is permitted to use the Licensed Content in unlimited commercial projects. A commercial project is one defined as a Work for Distribution launched with the capability to generate revenue, or intention to generate revenue through the sale of, licensing of, or otherwise intend to generate revenue directly from the Work for Distribution.

3. Restriction on use

Licensed Content may not be used contrary to any restriction on use indicated herein.

Licensed Content may not be resold, sublicensed, assigned, transferred or otherwise made available to third parties except as incorporated into Works for Distribution. Licensed Content may not be distributed to third parties as standalone files or in a way that unreasonably permits the recipient to extract the Licensed Content for use separately and apart from the Work for Distribution.

Licensee may not distribute the Licensed Content in any library or reusable template, including but not limited to game templates, website templates and software templates, intended to allow reproduction by third parties. Licensee may not distribute Licensed Content in a manner meant to enable third parties to create derivative works incorporating Licensed Content.

Licensee may not superficially modify the Licensed Content and sell it to others for consumption, reproduction or re-sale.

Licensee shall not use the Licensed Content in a manner that violates the law of any applicable jurisdiction.

Licensee shall not claim copyright or attribution of Licensed Content.

4. Term and termination

The license contained in this Agreement terminates automatically without notice from Licensor if Licensee fails to comply with any provision of this Agreement. Upon termination, Licensee must with immediate effect stop using the Licensed Content, destroy, delete and remove the Licensed Content from Licensee's premises, computer systems and storage. Licensee must also make all reasonable efforts to ensure that copies of the licensed content are removed from any locations it has been distributed to.

5. Limitation of Liability

The Licensee acknowledges and agrees that neither Licensor nor its board members, officers, employees or agents, will be liable for any loss or damage arising out of or resulting from Licensor's provision of the Licensed Content under this Agreement, or any use of the Licensed Content by the Licensee or its employees; and Licensee hereby releases Licensor to the fullest extent from any such liability, loss, damage or claim.

6. Indemnification

Licensee assumes full responsibility for the use of the content. Licensee shall defend, indemnify and hold Licensor and its parent, subsidiaries and commonly owned or controlled affiliates and their respective officers, directors and employees harmless from all damages, liabilities and expenses, including but not limited to reasonable attorneys' fees and costs, arising out of or as a result of claims by third parties relating to Licensee's use of any Licensed Content outside the scope of this Agreement, Licensee's failure to obtain from third parties all permissions necessary to use the Licensed Content, or for any other breach by Licensee of this Agreement.
